

# Payroll (UK)

## New Features

### Interfaces

ID	Description
1026860	<p>Added the following fields in the Payroll Data Export for Dayforce Link interface specification to allow UK customers to export accurate pension contribution amounts.</p> <ul style="list-style-type: none"> <li>The <b>Configurable Parameter Value</b> field for allowances was added in section 065. This field shows the custom parameters for the allowance held in the <b>Parameters</b> tab of <b>Payroll Setup &gt; Earnings and Deductions</b>.</li> <li>The <b>Configurable Parameter Value</b> field for deductions was added in section 069. This field shows the custom parameters for the deduction held in the <b>Parameters</b> tab of <b>Payroll Setup &gt; Earnings and Deductions</b>.</li> <li>The <b>Employee Pension Contribution</b> and <b>Employer Pension Contribution</b> fields were added in section 078. These fields show the values held in the <b>Employee Pension Contribution</b> and <b>Employer Pension Contribution</b> fields in the <b>Payroll &gt; Pension</b> screen of People.</li> </ul> <p>For more information, see "Payroll Data Export" in the <i>Payroll Administrator Guide</i>.</p> <p><b>Important:</b> For Support and other internal users such as implementation consultants, you can view the HCM Payroll Dayforce Link Export Specification document, available where Dayforce Release Documentation is posted internally.</p>

### Pay and Payroll Setup

ID	Description
1023486	<p>Updated <b>Pay Setup &gt; Pay Holidays</b> with the following to comply with government requirements:</p> <ul style="list-style-type: none"> <li>Added the Queens Platinum Jubilee bank holiday on 03/06/2022.</li> <li>Updated the date of the Spring bank holiday to 02/06/2022.</li> </ul> <p><b>Important:</b> You need to manually re-generate existing pay calendars to ensure that none of the entries have pay dates that fall on June 2 or 3. You can generate pay calendars in the <b>Pay Calendars</b> tab of <b>Pay Setup &gt; Pay Group</b>.</p>

### Payroll

ID	Description
849385	<p>Added the ability to create an off-cycle pay run for payroll adjustments in the previous tax year without having to manually edit the generated FPS file before submitting it to the HMRC. To support this update, <b>Early Year Adjustment</b> was added as a pay run type on the <b>New Off-Cycle Pay Run</b> dialog in <b>Payroll &gt; Overview</b> and <b>Payroll &gt; Pay Run Management</b>.</p>
